by Buca Interior Solutions

canvastone

CanvaStone redefines wall design with a material that is as innovative as it is timeless. Crafted from **natural marble dust**, each sheet carries the elegance and depth of stone while offering a flexibility and lightness never before possible. This unique composition allows seamless application on walls, columns, and curved surfaces—unlocking design possibilities beyond traditional stone or wallpaper.

What sets CanvaStone apart is its ability to transform. The clean sheets serve as a canvas for limitless creativity: from subtle textures to bold patterns, **every design can be custom-printed** to suit the vision of a space. The result is a wallcovering that combines the authenticity of natural marble with the freedom of modern design.

Premium, versatile, and exclusive, CanvaStone is not just a material—it is a statement piece for interiors that demand distinction.

Product Specifications

Product Type	Flexible marble-based wallcovering	For walls, furniture, cabinetry, bathrooms, and commercial interiors. Flexible enough to wrap around edges and contours.
Exact Dimensions	55.12" x 110.24" 140 cm x 280 cm	
Weight	22 lb (10 kg) each piece	
Safety	Non-toxic, zero VOC emissions	Safe for installation in occupied spaces (homes, offices, retail, etc.).
Heat Resistance	Up to 752 °F (400 °C)	Avoid direct contact with open flames.
Water Resistance	Excellent with protective lacquer coating	Suitable for bathrooms, showers, and spa facilities.
Installation	Edge-to-edge, seamless application	No grout, silicone, or fillers required.
Durability	20+ years lifespan	Resistant to yellowing, fading, and cracking; refreshable with lacquer.
Maintenance	Mild, non-abrasive cleaners	Avoid harsh solvents and abrasive pads.
Sustainability	Natural marble powder	Environmentally friendly, improves indoor air quality.

Notes

Buca Interior Solutions may update products, specifications, or designs without prior notice and assumes no liability for direct or indirect consequences of such changes.

Colours and Optical Features. Colors, textures, and finishes shown are indicative. Variations may occur due to printing, screen resolution, or the natural characteristics of marble-based surfaces. For accurate evaluation, clients should review physical samples.

Technical Information. Dimensions in this catalog are approximate. Consider the product specifications for the exact dimensions.

Custom Orders. Custom patterns/design can be produced by request. Production lead times, tolerances, and conditions may vary depending on the complexity of the design. Some special orders may be subject to minimum quantities or additional conditions.

Intellectual Property. All names, patterns, and catalog content are the exclusive property of Buca Interior Solutions. Any reproduction, distribution, or use, in whole or in part, is strictly prohibited without prior written authorization.
